### 2 Wstaw jeden wyraz w każdą lukę. Pierwsze i ostatnie litery zostały podane (z wyjątkiem przyimków).

#### Looks aren't everything

To me, <sup>1</sup>a \_\_\_\_\_ e, the way someone looks, is not the most important thing. Of course it's nice if someone is slim, athletic and has a smooth <sup>2</sup>c \_\_\_\_\_ n. But mostly I like people with a lively, friendly <sup>3</sup>p \_\_\_\_\_ y. I met a really nice guy at my cousin Lily's party last week. He seemed a bit <sup>4</sup>r \_\_\_\_\_ d at first, but then we started talking and after a while he became quite outgoing. He was really <sup>5</sup>s \_\_\_\_\_ t – I mean intelligent, not well-dressed. I also liked the fact that he was quite <sup>6</sup>g \_\_\_\_\_ e; I can't stand aggressive men. I was becoming quite attracted <sup>7</sup> \_\_\_\_\_ him, and then he went off for a moment and Lily's mum came up to me and said: 'How do you like Chris? He's really nice, isn't he? He's very <sup>8</sup>m \_\_\_\_\_ e, like someone ten years older. And so serious and <sup>9</sup>r \_\_\_\_\_ e – you can trust him never to do anything silly. I'm really glad he and Lily are planning to get married!' I was really <sup>10</sup>d \_\_\_\_\_ d at first, but now I'm pleased. Lily's going to have a nice husband, and I'll meet somebody else.
